Hello, I'm Joy Today is my birthday. I'm 8. Look at my gifts. I have got a lot of toys. My mum gave me a red doll and a yellow teddy bear. My dad's gift is an orange board game and three green marbles.

Hi! My name is Roy. We are twins and today is my birthday. I'm eight. I have got a lot of toys and I like my new black and white chess. My mum's gift is a red robot and my dad's gifts are purple blocks and a blue ball. Happy birthday to us 😊
