

TOYS

Follow the lines and complete the missing spaces.

The image shows a matching exercise for toys. On the left, there are ten boxes: 'BALL', 'MARBLES', 'BLOCKS', an empty box, an empty box, an empty box, an empty box, 'ROBOT', 'KITE', and an empty box. In the center, there are five empty boxes. On the right, there are five boxes with images: a chess set, an empty box, a teddy bear, an empty box, a video game console and controller, and a deck of cards. Dashed lines connect the toys to their corresponding boxes.
