Bu etkinliđi yıllar yıllar önce hazırlamıştım kim bilir office kaç vardı bilgisayarımda, şimdi yeni office programımla düzenleme yaptırmıyor, çok zorladı beni, bu da böyle garip bir etkinlik olsun ne yapalım. Nrmal çıktı alırsanız aşırı büyük oluyor, o sebeple 2 kağıt bir sayfaya gelecek şekilde baskı almanızı öneririm. Her rengi farklo yerde alt alta dizip çocuklardan tamamlamalarını istiyorsunuz. Güle güle güzel derslerde kullanın.
