

I Have Who Has Activity

Dosyayı Klasik I have who has oyununun şablonunu itsybityfun sitesinden indirip bizim I have got, have you got kalıbımıza uygun şekilde değiştirdim. Oyuncak sayıları sınırlı olduğu için renkleri devreye sokmak gerekli. I have got red kite, have you got number blocks, green blocks, yellow ball şeklinde oyunun oynanması lazım. 24 öğrencilik kart var, olur da kullanmak isterseniz ve sınıfınız biraz daha kalabalık olursa bildirmeniz yeterli, sayıyı arttırmaya çalışırım.. güle güle güzel derslerde kullanılsın

herhangi bir site ya da grupta kendi paylaşımım dışında görmek istemem, emeğime saygı please ☺
